Weddings at the Llyn Gwynant Barns 2024

The Llyn Gwynant Barns are imposing Grade II* listed stone buildings beside Llyn Gwynant lake in stunning natural surroundings. Private barn fields running down to the lake can be used for guests or simply for privacy. Create your own unique wedding with our standard 2-day hire.

- **Say "I do" in our beautiful Big barn**, a lovely large room with high slate roof and exposed beams. Tall oak windows line one side of the barns and large glass bifold doors open onto an outdoor slate terrace overlooking the lake. This room is licensed for weddings and is the perfect place for your ceremony with a stage at one end and ample space for seating up to 120 guests.
- **Celebrate in your own style** by decorating the barns as you wish and setting out our tables and chairs to suit you. The wedding meal can be as formal or informal as you like: choose from our list of approved caterers for a menu and meal at a budget to suit you. Up to 120 guests can be seated formally at tables or can enjoy a partly buffet style meal. Our well-equipped commercial kitchen has everything needed for caterers and is also available to you and your guests. A large Pagoda marquee is outside.
- **Dance all evening**: hire a band or use our PA system for your playlist. Our bar is open and our staff can help set up sound and lights. Globe lights hang from the ceiling, mood lights on the stone pillars and stage lighting can be integrated with your music. The barn suits all kinds of dancing, including ceilidhs and barn dances. Sound levels are monitored. Bands, DJs and large sound systems must finish by midnight and by 1.00 am quiet is required.
- **Our bar is open** on your wedding day at the back of Big barn and is very reasonably priced, as we are not a hotel and do not charge extra for weddings. See our separate Bar information sheet for more.
- **Creative spaces** in the barns can be used to suit you including a crog loft in the Kitchen barn and alpine-style platforms in Tall barn. Here up to 20 people could sleep or these can be used for storage, make-up, quiet zones for children or babies: whatever you prefer.
- **Spend time with your guests outside** in the private fields which run down to the lake and have stunning mountain views. There is ample space for friends to camp in their own tents or you can hire a glamping village if you wish. Hard standing with electric hookups at the top of the fields can be used for your guests' motorhomes or caravans.
- **Facilities include** an inside toilet block with hot showers, toilets, including one that is wheelchair accessible, baby change and many basins and mirrors. Outside in Barn yard there are 4 additional cubicles, each with a toilet and sink and 2 with heated showers.

Rates for 2024 are for a minimum of 2 nights for up to 120 people (adults or children, infants under 5 are free) and include use of our equipment including a large marquee on the front slate patio at no extra charge:

- **Standard weekend**: for Friday and Saturday, leaving Sunday: £5950
- **Extra nights** before or after are for a maximum of 35 people: £700 per night.
